There was plenty of breathtaking bling and beautiful women to try it all on at a recent cocktail reception held at Graf Jewelers on Oak Street. Graf is a Gold Medal sponsor of the inaugural Evergreen Invitational Show Jumping Grand Prix, a sport spectacle scheduled for September 15 at the Premier Horse Farm in Bristol, Wisconsin. All proceeds will benefit innovative cancer programs at Northwestern Memorial Hospital. The Grand Prix is expected to attract nationally and internationally ranked equestrian teams competing for a 75K prize.

The jumping course is being designed by Richard Jeffrey, seven-time United States Equestrian Team member and 2002 Rolex FEI dressage champion. Mike Britzer looked about the motivation behind the enormous undertaking. "I fell on my face, and I realized I needed to share our farm income from the equitation and all the health programs of the farm that we support. It's a real need," she explains. "I want to buy a horse at the Grand Prix and enjoy an afternoon with the equitation set!" Visit www.evergreeninvitational.org
